## **Salute Fellow Voyageurs**

Our date of our regularly scheduled April Promenade has been moved to Saturday, April 9<sup>th</sup> at 2:00 p.m. This was due to some of us going to the Grande du Virginia Cheminot on April 1<sup>st</sup>-2<sup>nd</sup>. I hope that since it is later in the day, more of you will be able to attend. We will need as many Voyageurs there as possible, as we will have some resolutions for Grande Positions to vote on. If you wish to hold a Grande Position, please let me or Amos know before this Promenade.

I sincerely wish to thank each and every one of you for another OUTSTANDING Membership Year. Currently, we are over 108% with 12 new members this year. That is absolutely FANTASTIC. Voiture 1569 has again shown Grande du Virginia that we are strong and continue to grow. There are, however, a few of you who have not renewed for the 2011 year. If you have not, please send in your renewal to Amos to ensure your continued right to say "Yes, I am a Voyageur Militaire, and damn proud of it".

I would also like to thank Mark Felske for stepping up and taking over the Promenades in my absence. He has done well as Chef de Train.

It is time to be thinking hard about our Officers and Directeurs at the Locale level. Would you like to join the ranks of Officers in our Locale? Let us know, nominations will be coming very, VERY soon. We all need to also be thinking about end of Year Reports. It is almost that time. We really need a report from each Voyageur this year. If you are not sure what all is on it, please ask, or go to the 40&8 website, click "resources, click "forms and Petite Communique", then scroll about ½ way down the page and click "click here to view or print the 2010 Petite Communique". It is last years, but it is blank and will give you a better understanding of our reports.

Just a reminder, Memorial Day is coming up in 2 months. We need a strong showing of 1569 Voyageurs at this event. Dick George also needs help for this event. With Voyageurs coming from all over the country each and every year to Post 162, Voiture 1569 has to lead the way and make this a successful event. If you have not registered yet, please do.

For the good of La Societe
